MEMO ENDORSED

Re: Lora v. J.V. Car Wash; 11-Civ.-9010

Dear Judge Stanton:

In connection with the above-captioned litigation, I have been presented with a letter from a psychiatrist/medical doctor who presently is treating my client, Jose L. Vazquez ("Vazquez"), one of the defendants in the above-captioned matter, who, as the Court may be aware, suffers from bi-polar disorder.

I am providing the letter from Dr. Leon Valbrun ("Valbrun") to the Court, in camera, since my client strictly has prohibited me from presenting it to my adversaries until the Court has reviewed it, and given HIPAA regulations, as I understand them, I would be precluded from doing so without my client's explicit permission. Nonetheless, I have alerted my adversaries, Laura Longobardi and Steven Arenson, that I would be forwarding Dr. Valbrun's letter to the Court and I am copying them on this transmittal absent the letter.

As the Court can see (please pardon the copy but this is the best to which I have been provided), Dr. Valbrun suggests that the clinical nature of Mr. Vazquez' illness makes it difficult to stabilize him, and recommends approximately six (6) months for a meaningful recovery. Consequently, Mr. Vazquez seeks an adjournment of the trial until he may recover enough to adequately defend himself.

*Mr. Vazquez must either reveal the letter to
 Ms. Longobardi or forego his application for an
 adjournment. Louis L. Stanton 3/24/14*

I assume that my adversaries will respond to my letter and if a conference is necessary or required by the Court, I am available on March 24th, 25th, and 26th at the Court's convenience.

Thank you for your patience and attention to this matter.

Yours, etc.,
